Addendum No. 2

Grant Park Community Center Exterior Painting Improvement, Project CF-01008 (15-21)

BIDS DUE (NO CHANGE): Tuesday, June 28, 2016, 2:00 p.m.

Bidders

The following addendum amends and is hereby made a part of the contract documents for the Grant Park Community Center Exterior Painting Improvement, Project CF-01008 (15-21). **The primary purpose of this addendum is to replace page TP-2 of the Technical Provisions located in the contract specifications**

TECHNICAL PROVISIONS

Replace Page TP-2 of the Technical Provisions in the specifications which revises Section 1.3. H to "The color of exterior body of the building shall be *Warm Sand CSP-280*. The color of exterior trim, gutter, flashing, pipes, conduits and doors shall be *Rooftop Garden CSP-765*, **except** exterior multi-purpose room and bathroom doors shall be painting in *Butter Yam AF-230*."

Chris Lamm, Engineering Service Manager

*****END OF ADDENDUM*****

- F. Caulking and filling. Remove all sections of broken and/or rotted caulking from around windows and door casings and install new, fresh caulking and apply one coat of primer to these areas.

1.3 SUBMITTALS/COLOR

- A. City Engineer must approve final colors furnished by the painting Contractor before application. Submit 6 brush outs of each color including the specific paint sheen specified. For bidding purposes colors furnished will be similar to existing colors unless otherwise noted.
- B. Mock-ups to be provided for City Engineer's approval.
- C. Accent colors may require two or more coats to achieve color uniformity.
- D. Submit Material Safety Data Sheet (MSDS) to verify that each paint and coating used complies with the current volatile organic compound (VOC) and chemical component limits of Green Seal's Standard GS-11 requirements.
- E. Contractor shall provide the City Engineer with a 5-gallon container of paint for each different color for future touch-ups.
- H. The color of exterior body of the building shall be ***Warm Sand CSP-280***. The color of exterior trim, gutter, flashing, pipes, conduits and doors shall be ***Roofstop Garden CSP-765***, **except** exterior multi-purpose room and bathroom doors shall be painting in ***Butter Yam AF-230***.

1.4 QUALITY ASSURANCE

- A. Comply with governing codes and regulations.
- B. Deliver, handle and store materials in accordance with their manufacturer's instructions.

1.5 ENVIRONMENTAL REQUIREMENTS

- A. Paint shall comply, at a minimum, with the regulations of the California Air Quality Resources Board for the Bay Area.

2.0 PRODUCTS and HANDLING

2.1 MANUFACTURER

- A. Benjamin Moore Paint Company, or approved equal.

2.2 MATERIALS

- A. Materials shall be pure, unadulterated first quality and shall be delivered to the project in original unbroken packages bearing the manufacturer's name and product number.
