SUBJECT: Request for Proposal – Fremont Avenue Pedestrian Bridge Feasibility Study Project, TS-01027

Dear Consultant,

You are invited to submit proposals to provide feasibility study for the **Fremont Avenue Pedestrian Bridge Feasibility Study Project** as outlined herein and delineated on the enclosed Scope of Services. Proposals are due to the office of the City Engineer **before 4:00 P.M., Monday, May 2, 2016**.

PROJECT REQUIREMENTS

The City of Los Altos is soliciting proposals from qualified engineering firms to provide feasibility study report for one project to improve pedestrian safety.

The work includes the preparation of topographic survey, base map, preliminary environmental analysis report, preliminary design with different alternatives and cost estimate for the project. The successful consultant or consulting team shall have relevant bridge design experience. A detailed scope of services for the projects is outlined in the attached SCOPE OF SERVICES.

TIME SCHEDULE

The consultants' proposal should include a critical-path schedule identifying start and end dates for each task. The consultant's proposal should also include a statement, indicating adherence to the proposed schedule.

INSURANCE REQUIREMENTS

The consultant will be required to maintain insurance coverage for Personal Injury and Worker's Compensation, with the City of Los Altos named as "Additional Insured." The City will also require Professional Errors and Omissions insurance acceptable to the City Attorney.

FEE SCHEDULE

Not to exceed fees should be listed in the Fee Schedule for each task for the project. Payment for work completed will be based on progress to date for each task as described in the Scope of Services. The consultant should include costs for attending meetings, site visits, travel expenses, and all other project related expenses such as delivery services, printing costs, etc. in the fees submitted for each task.

PROPOSALS

Please submit five (5) copies of the proposal incorporating all requirements set forth in the RFP along with a statement of qualifications for undertaking the proposed services. Please define the proposed work and the completion schedule in the form of Exhibits "A" and "B" respectively to your proposal. The consultant's fee proposal and payment schedule shall be submitted in a separate sealed envelope in the form of Exhibit "C".

The City will evaluate each of the consultant's qualifications and will conduct interviews with the consultants that demonstrate the best qualifications for the proposed services. From this evaluation and the possible interviews, the City will select a consultant and negotiate a fee for the services delineated in the RFP. The consultant must be ready to execute a standard Agreement for Consultant Services (draft version is attached) within ten (10) days of award of the project. The proposal submitted in response to this RFP will be included as part of the Agreement with the selected consultant.

If you need assistance or have questions, please call me at (650) 947-2623 or email me at vchen@losaltosca.gov.

Sincerely,

Victor Chen, P.E.
Associate Civil Engineer
