

NOTICE TO CONTRACTORS

**RUBBERIZED CAPE SEAL
(GRANT ROAD)
PROJECT TS-01014 (15-24)
FEDERAL PROJECT No. STPL-5309(017)**

CITY OF LOS ALTOS
SANTA CLARA COUNTY, CALIFORNIA

1. **Description of Work:** The City of Los Altos, Santa Clara County, California, invites sealed proposals or bids for furnishing labor, material and equipment required to complete the project in the particular locations, of the forms, sizes and dimensions and of the materials and to the lines and grades and at the elevations as shown and delineated upon the plans and specifications made therefore. The following information is presented to indicate the size of the project and no warrant is made or intended to final quantities:

The project includes but is not limited to mobilization, striping removal, temporary and permanent striping, ramp improvements, Concrete (PCC) and Asphalt (AC) sidewalk, asphalt concrete roadway pavement, asphalt rubberized chip seal, micro-seal, traffic control, and all other items or details not mentioned above that are required by the contract Drawings and Specifications to “cape seal” Grant Road, between Homestead Road and Grant Road in the City of Los Altos. The asphalt rubberized cape seal consists of an application of asphalt rubberized chip seal followed by an application of a micro-seal.

2. **Location of Work:** All of said work is to be done at the places indicated on plans and in accordance with these specifications
3. **Contract Documents:** A copy of the plans (half-sized) and specifications may be obtained from the office of the City Engineer, City Hall, 1 North San Antonio Road, Los Altos, California, 94022 for a non-refundable fee of \$40.00 or visit City website to download the PDF files (<http://bids.losaltosca.gov>). Copies may also be inspected at the office of the City of Los Altos, Engineering Division.
4. **Labor Compliance.** Pursuant to paragraph 7-1.01A, Labor Code Requirements, of the General Provisions in these specifications. Contractor is required to comply with California Labor Code Section 1770, et seq. In addition, Davis Bacon Wage Determinations of the U.S Department of Labor is required to be compliance for this project. This Code requires the Contractor to pay their workers based on prevailing wage rates established and issued by the Department of Industrial Relations, Division of Labor Statistics and Research. The wages paid shall be the greater of the two.

Pursuant to SB 854, all contractors or subcontractors bidding on public works projects must be registered with the Department of Industrial Relations (DIR). No contractor or subcontractor may be listed on a bid proposal for a public works project (submitted on or after March 1, 2015) unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5 [with limited exceptions from this requirement for bid purposes only under Labor Code section 1771.1(a)].

No contractor or subcontractor may be awarded a contract for public work on a public works project (awarded on or after April 1, 2015) unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5.

This project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.

5. **Pre-bid Site Review:** A pre-bid conference is not scheduled for this project. Prospective bidders are directed to Section 2-1.03 of the Standard Specifications regarding examination of the site of work.
6. **Contractor's License:** The Contractor is required to have a class A Contractor's license or class C-12 Earthwork and Paving for this work. All bidders shall be licensed under the provisions of Chapter 9, Division 3 of the Business and Professions Code of the State of California to do the type of work contemplated in the project.
7. **Location of Bid Submittal and Date and Time of Opening:** Said sealed proposals shall be delivered to the City Engineer of said City on or before

2:00 p.m., Thursday, March 10, 2016

at City Hall, 1 North San Antonio Road, Los Altos, CA. Proposals received will be publicly opened and read aloud at that time.

8. **Award of Contract:** Said bids will be presented to and considered by the City Council at a regularly scheduled meeting.
9. **Time of Completion of Work:** The work shall be completed and ready for full use within **sixty (60) calendar days**, the first day of which shall be the date specified in the City Engineer's "Notice to Proceed".
10. **Rights of the City:** The City reserves the right to cancel the project, and to reject any or all bids if not satisfied as to the price for the work or the responsibility of the bidder. The City also reserves the right to waive any informalities according to law.
11. **Project Administration:** All questions relative to this project prior to the opening of bids shall be in writing and directed to the City Engineer, City of Los Altos, 1 North San Antonio Rd., Los Altos, CA, 94022.
12. **Disadvantage Business Enterprise (DBE).** Contractor shall comply with all requirements of the Department of Transportation/Caltrans Annual Anticipated Disadvantage Business Enterprise (DBE) Participation Level (AADPL) program. The established AADPL goal for this project is 29%.

Special direction is directed to Section 2 of the General Provisions for full directions as to bidding.

Dated: February 5, 2016

/s/ Kathy Small
Assistant Civil Engineer
